Pipeline Login Instructions

The first time you login to Pipeline, you will need to find your username and create a password.

1. Go to www.sbcc.edu/pipeline

2. If you do not know your username and password, click on Find and set up your account here.

3. Enter the following information (listed in the “Your SBCC ID Information” email):

4. Select a secret question from the list provided and type in your answer.
Pipeline Login Instructions

5. **Choose a unique password.** You will use this password every time you log in to Pipeline (to check e-mails, to register for classes, to pay tuition, etc.).
